

Beyond All Saints - Graduating Class of 2017

At All Saints Catholic School, we are well-aware that this is just the beginning for our students. Beginning in 5th grade, we discuss "what's next" with students. We help our students make intentional and positive decisions about high school and beyond. We are proud that in the last 10 years, 100% of the students that graduate from All Saints go on to graduate from high school and 95% attend college.

This year's class of graduating eighth graders will attend the following high schools:

Appomattox Regional Governor's School
Benedictine College Preparatory (2 students)
Cardinal Newman Academy
Hanover High School (2 students)
Maggie L. Walker Governor's School
Monocan High School
Richmond Community High School (4 students)
School of Communications at Varina High School
School of the Humanities at Hermitage High School (2 students)
St. Gertrude High School (3 students)
The Steward School
Thomas Jefferson High School

Best of luck to our graduates!
