Academic Philosophy

All Saints' integrated curriculum is based on National Standards of Learning and delivered with research-based teaching method and differentiated instruction for every aptitude. The rigorous and relevant curriculum is designed to promote critical and higher-order thinking skills, 21st century skills application, and inquiry-based and project-based learning. All Saints' family environment allows students to improve their strengths and weaknesses so that they may realize their potential academically, socially and spiritually. Since 2006, 100% of All Saints Catholic School students have graduated from high school, and in the past three years, 95% of these graduates went on to higher education. All Saints has graduated four valedictorians, including a Bill Gates Scholar.

Eligibility for Kindergarten

Students must be five years old by September 30 of the school year in consideration to be eligible for kindergarten.

Teacher

Kindergarten is taught by Mrs. Christie MacAulay. Mrs. MacAulay has a Bachelor of Science Degree from VCU and is a graduate of the Post Baccalaureate Teaching Program from Mary Baldwin College. She joined All Saints in 2009. First and foremost, Mrs. MacAulay wants to instill in her students a love of books and reading. She regularly communicates with parents/guardians about their child's accomplishments and challenges and about opportunities for parental involvement via a class website and weekly parent newsletter.

"I am ever so grateful for the opportunity to teach my kindergarteners. They fill my days with love, laughter, appreciation, achievement, pride, respect, and fun!" —Mrs. MacAulay
