

**All Saints Catholic School**  
**Recommended Books by Lexile Level**

You will receive your child's lexile reading level with the first progress report. Educational research has proven that students who read at or slightly above their reading level will make the most progress in reading.

To assist you and your child in finding books to read on his/her appropriate level, we recommend visiting *The Best Children's Books* website: <http://www.the-best-childrens-books.org/books-by-lexile.html>

There is also a website that you can use to search titles if you have a book and want to know the lexile level. However this website is based on readability only, not on content appropriateness. If you use this site, be sure to read the book summary before approving for your child. The website url is <https://www.lexile.com/findabook/>.

**Happy Reading!**
