

All Saints Catholic School Afternoon Pick-up Procedures

Lower school students (grade PK - 4) exit the building at approximately 3pm under the carport. Middle school students exit through the gym entry doors (to the right of the playground if you are facing the building).

Lower school only parents - please park along the fence, along the street, or if there is space in one of the two lines perpendicular to the front sidewalk (see diagram below). You can walk over to the carport to collect your child from his/her teacher. As teachers get to know you and your vehicle, they will send your child to meet you as appropriate.

Middle school only parents - please form lines on the right side of the playground as is done in the morning. Please do not get out of your car! Your child will come to the car. Please be patient as some students may exit sooner than others.

Parents with a combination of lower school and middle school parents - please use the middle school line. Your middle school child will pick-up your younger child and they will walk out to your car together.

Additional tips:

- If you need to come into the office, please park outside the fence, collect your children and then come to the office to conduct business or arrive by 2:45 and conduct business prior to picking up your children.
- If the parking lot is full and the two line pick-up is full, then you may need to circle the block and try again. We work hard to dismiss within a 10 to 15 minute time frame.
- SAFETY is of prime importance! Please go slow, be patient and be watchful.
