### Academic Philosophy

All Saints' integrated curriculum is based on National Standards of Learning and delivered with research-based teaching methods and differentiated instruction for every aptitude. The rigorous and relevant curriculum is designed to promote critical and higher-order thinking skills, 21st century skills application, and inquiry-based and project-based learning. All Saints' family environment allows students to improve their strengths and weaknesses so that they may realize their potential academically, socially and spiritually. Since 2006, 100% of All Saints Catholic School students have graduated from high school, and since 2010, 95% of these graduates went on to higher education. All Saints has graduated four valedictorians, including a Bill Gates Scholar.

Additionally, all grades learn proper keyboarding techniques and how to use software applications such as Google Docs, Microsoft Office, Prezi and i-Movie. Engineering design methods are applied to collaborative math and science projects. Art integration occurs regularly through project-based and design-based learning experiences coordinated between classroom teachers and our art teacher. The Spring Arts and Sciences allows students to highlight their work and learning.

### High School & Beyond

Since 2006, 100% of All Saints Catholic School students have graduated from high school, and since 2010, 95% of these graduates went on to higher education. All Saints Catholic School has graduated four (4) valedictorians from Open High School, Varina High School, and Community High School; one of these graduates received a Bill Gates Scholarship Foundation Award. Middle school students receive counseling and assistance with the high school application process. All Saints students go on to attend special programs at area public high schools, including the Maggie L. Walker Governor's School, and the Catholic high schools.

### Classroom Features

- The average class size is 18 - 22 students.
- All Saints promotes PBIS, positive behavior interventions and supports. Students are to display a cooperative attitude, respect the rights and opinions of others, respect property, accept responsibility, show growth in self-control, and take pride in personal appearance and actions. Teachers reinforce these desired positive behaviors through student of the month recognitions and the Knights XL program that rewards students for positive choices. Students shop with their Knights XL tickets in the school store.
- The student body is roughly 60% African American; 25% Hispanic; 15% Caucasian and Catholic 40%; Non-Catholic 60%.
