

Uniform Update

New for 2018-19

Please note the following changes to the uniform dress code for 2018-19. Remember that the intent of a uniform policy is to keep children focused on learning by removing distractions that can be caused by individual style choices. Changes to the policy were reviewed by teachers and the PTO board.

Polo shirts

PK to 4th graders will have an additional polo shirt option for the school uniform next year. Students in these grades may wear hunter green All Saints logo polo shirts beginning in this 2018-19 school year. The white polo shirt will continue to be an option as well and will be required on “formal school uniform” days which occur periodically throughout the year. The hunter green and white logo polo shirts are available through Flynn and O’Hara either on-line or at their Richmond store.

Sneakers

Only white, gray, black or navy low-top sneakers may be worn. Sneakers are allowed with the uniform shorts/skort and PE uniform. No neon, blinking or quarter-top/high-top sneakers.

Headdress

Girls who wish to wear a headband must wear the official school headband sold by Flynn and O’hara or a solid navy headband.

Please remember that our headdress policy also reads: Boys and girls are to refrain from wearing inappropriate headdress, such as bandanas, scarves, do-rags, sweatbands, large bows, etc. Boys and girls are not allowed to add unnatural color to their hair.
