Math/Literacy/Digital Citizenship Family Night September 20, 2018; 6 – 7pm

We hope you found orientation day informative and a beginning point for forming that ever so critical teacher-parent relationship. We'd like to continue in this spirit and thus we will hold a family night (a different twist on back-to-school night) on September 20th with a focus on math, literacy and digital citizenship. Teachers will provide opportunities for you to experience math, reading and word study centers with your child so that you are able to enrich these skills at home. Our technology specialist and school counselor, along with some middle school students, will provide information on digital citizenship and ideas for enriching academic skills via technology. It's a night you'll want to be sure to attend!

Next Up Parent-Teacher Conferences in early November.

Esperamos que el día de orientación fue informativo y un punto de partida para formar esa relación tan importante entre maestros y padres. Nos gustaría continuar en este espíritu y así tendremos una noche familiar (un giro diferente en la noche de regreso a la escuela) el 20 de septiembre de las 6-7pm con un enfoque en matemáticas, alfabetización y ciudadanía digital. Los maestros les brindarán oportunidades para que experimente centros de matemáticas, lectura y estudio de palabras con su hijo para que pueda enriquecer estas habilidades en el hogar. Nuestro especialista en tecnología y consejera escolar, junto con algunos estudiantes de escuela intermedia, proporcionarán información sobre ciudadanía digital e ideas para enriquecer las habilidades académicas a través de la tecnología. ¡Es una noche que querrás asegurarte de asistir!

Siguiente conferencias de padres y maestros en noviembre

ASCS Math/Literacy/Digital Citizenship Family Night

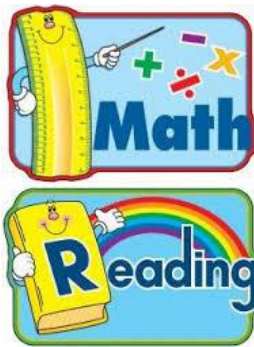

You're invited to join us on tomorrow evening. .

Thursday, September 20
6 to 7pm

Come visit in your child's classroom and learn how he/she is experiencing math and reading instruction, and how you can support his/her learning at home.

Mrs. Williams' middle school technology classes will have information throughout the hallways on how to support your child in navigating the digital world in a safe, responsible and kind manner.

Math/Literacy/Digital Citizenship Family Night is a different twist on back-to-school night. It is our hope this night continues the process of forming that ever so critical teacher-parent relationship that began on orientation day.

It's back!
