

## ASCS Afternoon Pick-Up

- Middle school parents (5 - 8) please come into the school lot and turn right. Pull into lanes to the right of the playground. Please stay in your car. Children will come to your car when they are dismissed.
- Lower school parents (JK - 4), you will walk up to meet your child under the carport. **Children are not allowed to leave the line until the parent comes to the teacher. (This is to insure the safety of our children)** There are a few spaces to park in the 2 lines in front of the school. Otherwise, you must park along the fence or along the street. If no spaces are available in these three areas, then please circle around until a space is available.
- If you have children in both areas, please contact Mr. Soistman or Ms. Coleman so that can be arranged for your younger children to walk to the middle school area with their older sibling.
- Please drive slowly and carefully down the street, through the gates, and in the parking lot. The safety of our children is of upmost importance.

**Please note that parents that pick up their children at dismissal and allow them to go into the playground, MUST stay with their child in the playground area.**
