

All Saints Spirit Song

Cheer, Cheer for ASCS
We're not the biggest
but we're the best.
We work hard and keep our heads high
Giving our all to reach for the sky.
Whether the odds be great or small,
ASCS will rise to the call.
The Knights of All Saints march onward to victory!

Thank you for coming!

Guests are invited to enjoy refreshments and view renderings
of the new space under the carport after the program.

Finally, The Future is Now!

When All Saints was constructed 50+ years ago, its design allowed for easy future expansion to occur by converting the carport into finished rooms. Finally, the future is now; poised with a million-dollar matching gift from Weinstein Properties, All Saints will revitalize its physical space by adding 6,800 square feet of learning and administrative space and configuring current areas to their best use. This expansion, which will allow All Saints to continue to provide students with all the tools they need to excel in high school and beyond, totals \$2.3M and has a prospective completion date of fall of 2020.

**Thanks to the generosity of Weinstein Properties
and many other donors, \$1,866,000 has been contributed to
All Saints' The Future is Now \$2.3 million campaign.**

**We must raise the remaining \$445,000 by June 30, 2020 to fully fund this
project. Please help us meet our goal by contributing to the campaign today!**

Our School

By Mrs. Mary Davison (*teacher, grade 1*)
and Mackenzie Jaquez (*All Saints alum*)

All Saints is our school. It is surely the best.
This year is our year. We can't wait for the rest.
We gather each day for our morning prayer,
And we pray for each other to show that we care.
We smile to others as we walk down the hall
Making sure to say hi to the big and the small
We sit at our desks with a listening ear
And we read, and write and we have no fear
We celebrate Mass and rejoice with a song
Our choir's so great when they lead us along
All Saints is a place where we like to have fun
We slide and we swing in the bright shining sun
Or we walk and we talk and be happy and free
Enjoying each moment that God lets us see
All Saints, it is time. We are starting anew
And this is our future, it begins with you!

The Future is Now!

Rev. Mr. John Tucker, Campaign Chair & Board Member
