

Dear Parents,

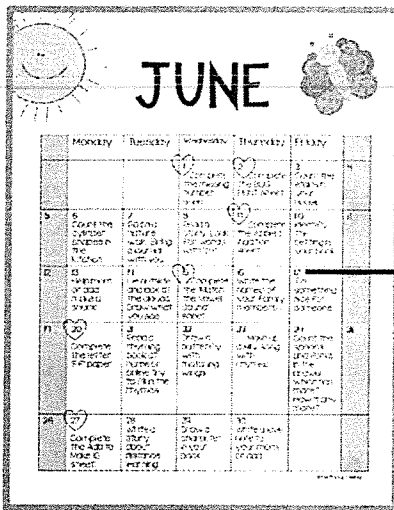

Your child is bringing home a FUN Summer Packet with an activity calendar. Each day has fun and engaging activities that your child can complete to get ready for first grade. Your child can complete as many or as few as s/he would like.

Each month has additional BONUS pages to complete that are marked on the calendar with a specific shape. June - ♥ July - ☆ August - △  
At the beginning of the new school year, your child can return the completed packet, BONUS pages and all, to me and I will have a special reward. If you have any questions, feel free to email me. Thanks so much, HAVE FUN and have a wonderful summer making cherished memories!

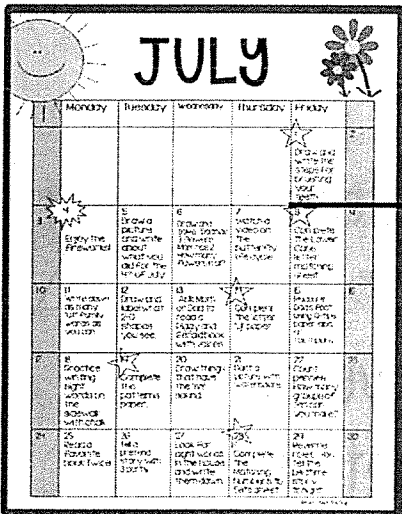

# My Recording Sheet Updated 2022

Fill in the numbers below and color in the # of shape days that you completed for each month.

## Summer Reading Log 1st Grade

The first grade summer reading goal is to try and read every day! For every day that you read for 20 minutes, please color one book. You can even write the date inside the book before you color! If you want to let me know exactly what you're reading, write down the book titles on the back of this chart.

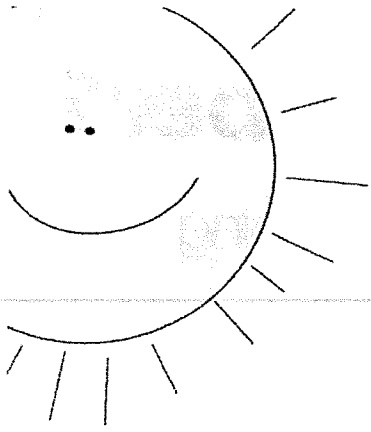

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                       |                                                                                       |
