11 Years of Support at the Breakfast

In the last eleven years, Breakfast participants have contributed

OVER \$1.2 M

This support has provided
many, many opportunities for All Saints students.

Your investment changes lives!
But much improvement and growth continues.

Our fundraising goals include

Full Mission

Because All Saints keeps its tuition level low,
tuition only meets about 70% of the operating budget.
While a Parish Sharing Subsidy and other fees can help cover the “gap,”

All Saints must raise nearly \$2,000 per student in general support.

Some examples of our expenses include: technology upgrades,
instructional materials, and professional teacher training.

Goal: \$100,000

Tuition Assistance

*65% of All Saint's student body requires some amount of assistance
to afford to attend All Saints.*

This year's total need is approximately \$600,000.

All Saints meets over 80% of that need with your help!
In all, All Saints has over a dozen sources of tuition assistance
from individuals, the Diocese, foundations, etc.

**Your pledge at the Breakfast can provide support
for tuition through the
VA Education Improvement Scholarship Tax Credit Program.**

Goal: \$250,000

Legacy Giving

This planned giving program helps ensure the school has the resources
it needs for generations to come. To date, we have 12 commitments.
We hope to grow this Society.

Funds to meet the school needs are sought year-round
from several sources but the Breakfast continues to be our single largest
source of revenue.

Thank you for your support!
